

Fall City Farms is looking for hard-working full and part-time people to join our groundskeeping team.

Since 1981 Fall City Farms has grown and evolved into what it is today. In addition to the farming side of our operation which works to grow organic produce and flowers as well as pumpkins for our October pumpkin patch, the groundskeeping team also maintain grounds and buildings related to the hospitality portion of our operation, two buildings used for corporate and private events. The groundskeeping team works to keep our property in top shape, both functionally and aesthetically and aide in the overall success of all operations on the property.

Applicants must have a positive attitude, be reliable, communicative, and take pride in their work. Must enjoy being outdoors and be comfortable working in a variety of weather conditions.

Responsibilities include:

- Assisting in maintaining the property, including lawns, landscaping, Christmas tree field, paths and driveways as well as areas directly surrounding buildings and the boundaries of fields and property.
 - This will include mowing, weed whacking, blowing, hand weeding, watering, irrigation maintenance and pest management.
- Safe operation of company vehicles and equipment. Reporting any needed repairs or accidents promptly. Equipment includes small trucks, farm tractor, utility vehicles and small utility off road equipment.
- Safely and responsibly utilizing organic insecticides, herbicides and fertilizers when appropriate.
- Reporting maintenance issues to supervisor in a timely manner.
- Maintaining appearance and cleanliness of building exteriors, including cleaning gutters, deck surfaces and exterior light fixtures.
- Keeping grounds free from trash, litter and debris.
- Providing a safe working environment for self and others by adhering to safe working practices.
- Responsibilities vary and are not limited to the above list.

Requirements:

- Must be able to communicate well in English.
- Valid, unrestricted driver's license.
- Must have reliable transportation.
- Free from allergies that interfere with groundskeeping duties.
- Ability to follow instructions and communicate any questions.
- Must have a polite demeanor and be able to communicate with guests when needed.
- Physically agile and dexterous and able to walk, stand, squat, and kneel
- Additional horticulture knowledge or experience desirable.

We are currently looking for full and part time applicants. Hours may vary seasonally and with weather conditions but will largely be 40 hours/week for full time and 20-30 hours/week for part time, 8 am - 4:30 pm, Mon-Fri.

Compensation: \$16-20/hour depending on experience
